Pricelist

Publication in:

Circulation: 6,000 copies Frequency: in 6 of 11 issues annual Language: German

Circulation: 9,000 copies Frequency: in 6 of 11 issues annual Language: German

Circulation:
8,000 copies
Frequency:
6 issues per annum
Language: English

The advantages at a glance:

- ☑ Something for everyone: Organised topically into 13 main groups with more than 500 relevant key words
- ☑ Everything a glance: Each entry encompasses the firm's complete postal address including its email and Internet addresses.
- ✓ Save costs: We offer you attractive graduated prices according to the number of keywords
- ✓ One price three trade journals: You pay once per year and your entry is included in a total of 18 issues month on month throughout the year.
- ☑ Cross-border contacts: The publication in our journals in German and English makes it possible for you to establish contacts beyond Germany's borders too.
- ✓ In addition and free of charge: The entry in the Internet at www.abc-der-fuegetechnik.de with a link to your homepage.
- ✓ Publication of your firm's logo on our Internet site free of charge. Please send the logo (jpg-file) to: vanessa.wollstein@dvs-hg.de
- Possibility of beginning the entries every month (deadline: 15th of the previous month).

Prices:

Number of keywords	Cost per annum/per keyword (EUR)*
1	145.00
2-5	128.00
6 – 10	113.00
from 11	100.00

^{*} The prices are subject to VAT.

Now with improved internet presence!

Your complete company entry including logo and linking to your homepage appears at www.abc-der-fuegetechnik.de and that without any additional costs whatever.

The new online presence doubles the range of your advertising measures.

Your contact person: Vanessa Wollstein
